

Union Pacific Railroad Crossing at Wade Road located between Greens Prairie Trail and Drake Drive will close permanently the week of June 5th-9th

On the weekend of June 3-4, from Saturday at 7:00 AM until Sunday at 7:00 PM; TxDOT's contractor will temporarily close Greens Prairie Trail to provide significant milestone work within the FM 2154/Greens Prairie Trail intersection.

Following the completion of the TxDOT project weekend work activities in the FM 2154/Greens Prairie Trail intersection, Brazos County and TxDOT will coordinate the removal of the Wade Road rail crossing with Union Pacific the week of June 5-9. Upon completion of that work, Wade Road will become a cul-de-sac road with no outlet to FM 2154. The only access to Wade Road will come from Stousland Road.

Union Pacific Railroad will completely remove railroad crossing arms, railroad warning signals and traffic signals the week of June 5th – 9th. TXDOT and the Brazos County Road and Bridge Department (BCRB) will remove roadway material between the edge of FM 2154 and the end of the railway ties. BCRB will further construct a circle turnaround and erect end road barricades on Wade Road.
